Statement of Achievement

Miftah Farid HZ

has successfully achieved student level credential for completing the **HTML Essentials** course, provided by Cisco Networking Academy in collaboration with JS Institute.

The graduate is able to proficiently:

- Create structured and well-formed HTML documents using appropriate tags and attributes.
- Format text, create lists, tables, and integrate multimedia elements effectively.
- Build interactive and accessible web pages using semantic HTML and web accessibility principles.
- Use hyperlinks for internal and external navigation to improve user experience.
- Develop and structure web forms with basic input fields and validation techniques.
- Understand the role of HTML in the web development process and its relationship with CSS and JavaScript.
